Seesaw is an online learning platform that helps students, parents and teachers coordinate learning.

Spotlight on GCES

Grey Cloud Elementary School has a comprehensive curriculum which is supported by a positive behavior system called SOAR. The SOAR system centers around safety, organization, accountability and respect. GCES students have the opportunity to participate in fine arts such as art, band, choir and orchestra. Students also participate in various events throughout the year including the ThunderDASH (Track and Field Day) and the Thunderbash (school carnival).

Teachers at Grey Cloud personalize learning for students by building relationships. Each student meets with his or her teacher before the start of the school year and teachers continue working one-on-one with students during the year. GCES welcomes community involvement and hosts several community events during the year. The school also has an active and welcoming Parent Teacher Association (PTA).

“ ”

“Grey Cloud is a warm and welcoming school where we believe that together we build the foundation for the growth and success of all learners.”
